

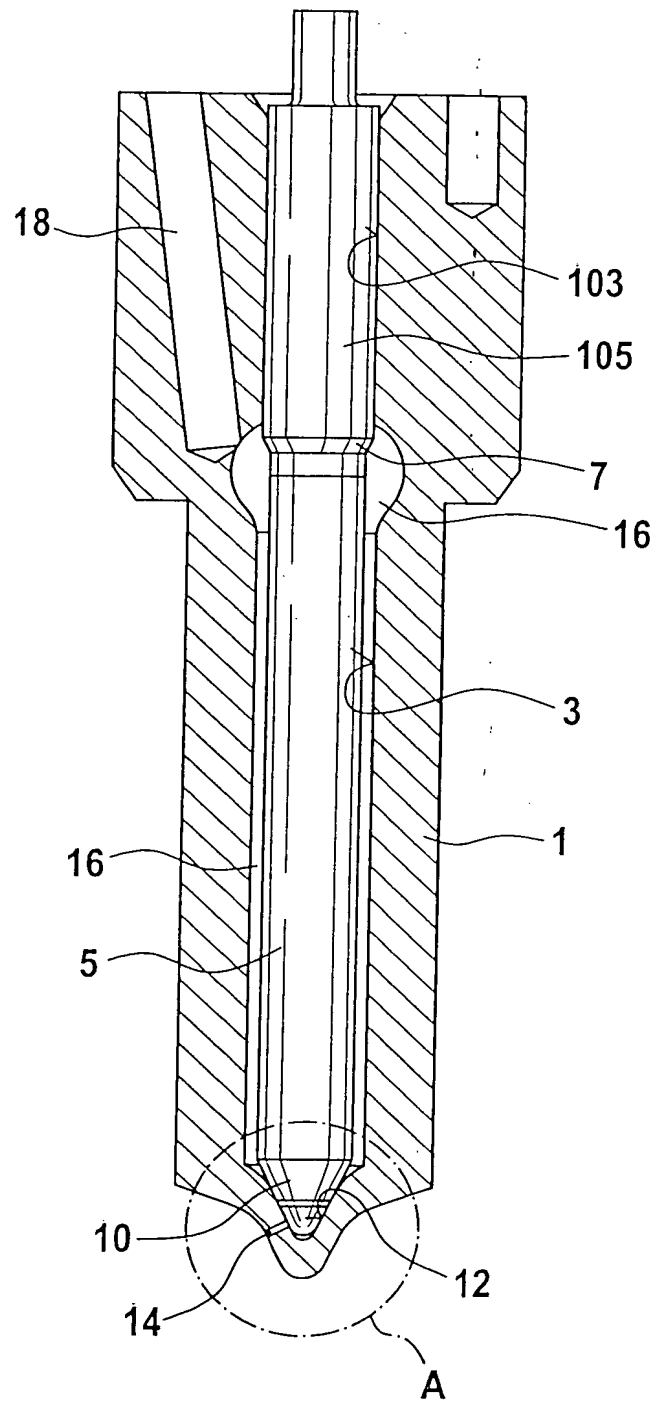

Fig. 1

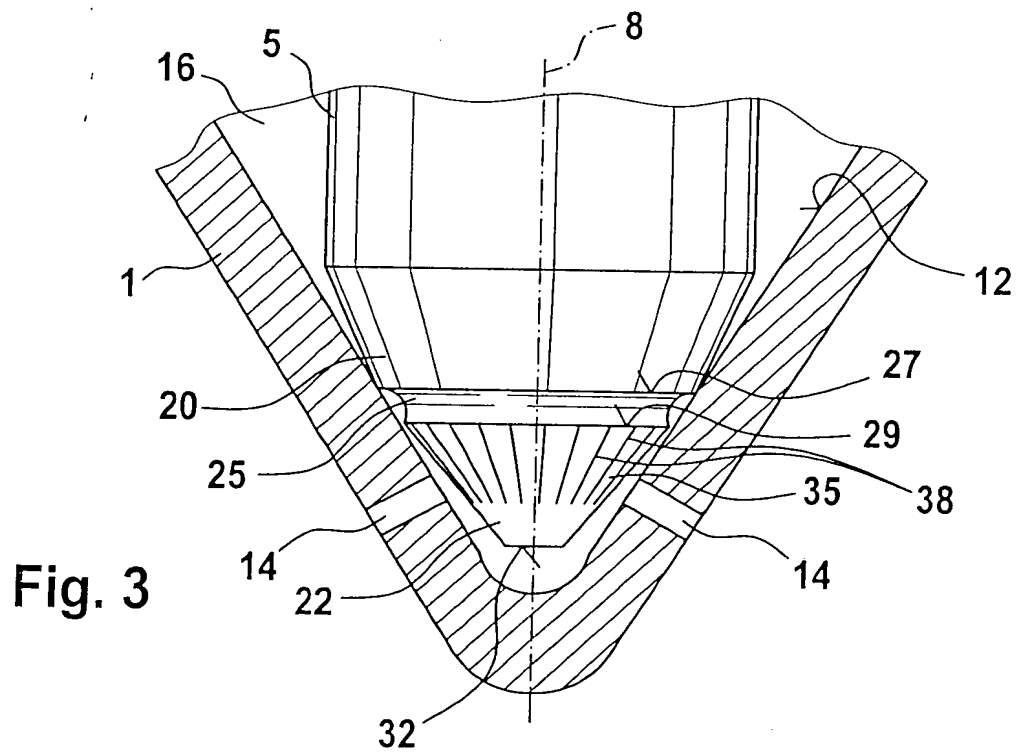

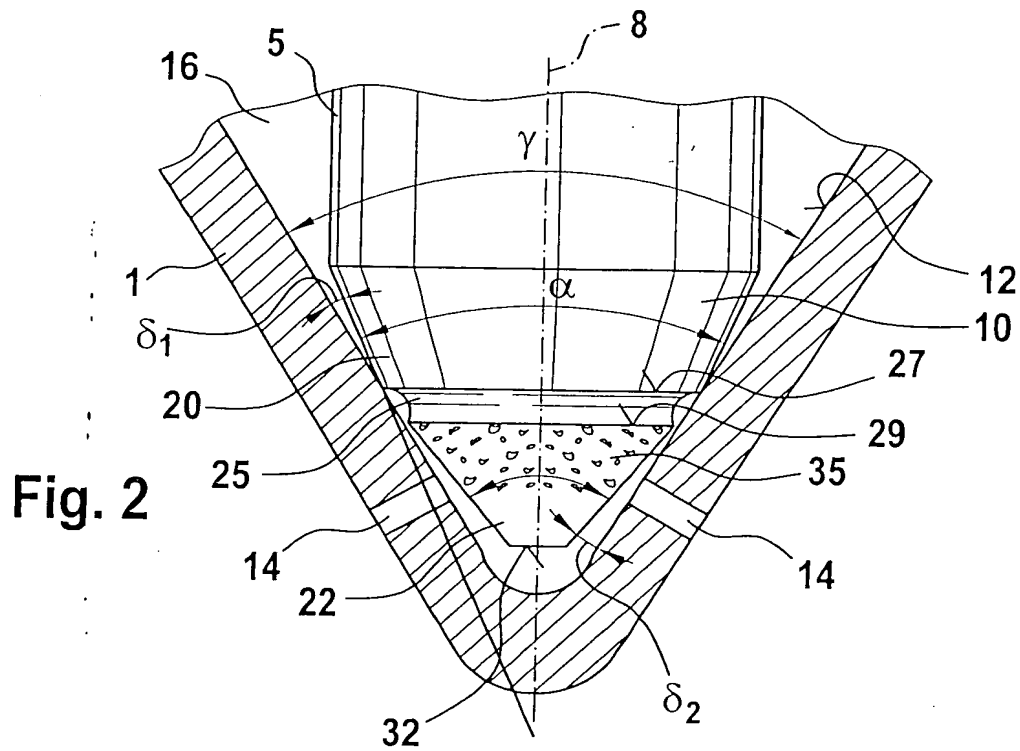

FIG. 1 is a perspective view of a first embodiment of a substrate 5. The substrate 5 has a wavy top surface 22. A rectangular region 38 is defined on the surface, with width 'b' and thickness 't' indicated by arrows.

FIG. 1 is a cross-sectional view of a first embodiment of a substrate. The substrate 22 is shown with a central circular opening 38. The diameter of the opening is labeled 'b', and the depth of the opening is labeled 't'.
